

## MathWorks Software License Agreement for Standalone Licenses

YOU SHOULD CAREFULLY READ THE FOLLOWING TERMS AND CONDITIONS BEFORE SIGNING.

I understand that MATLAB, SIMULINK, and MATLAB toolboxes, hereafter referenced as **MathWorks Software**, are copyrighted, propriety works belonging to The MathWorks and are made available for installation on systems at Virginia Tech under terms of the license agreement with The MathWorks. This license is in effect from September 1st thru August 30 and may be renewed on an annual basis.

I agree to be bound by the following terms:

1. Copies of the machine-readable programs may NOT be sold, loaned, given, or in any way conveyed to individuals who are not Virginia Tech faculty or staff. MathWorks Software may not be used for commercial purposes.
2. MathWorks Software may be installed on systems owned by Virginia Tech as well as personally owned computers for academic-related purposes only. MathWorks adheres to all export control laws, which regulate use or access to the software from restricted countries. Use of this product outside of the United States is allowed on a temporary basis with exception to restricted countries.
3. I agree to remove MathWorks Software from the licensed system(s) if the MathWorks Software license is discontinued at Virginia Tech.
4. The MathWorks provides the Licensee with an activation code. Licensee shall not attempt to access or use Programs that Licensee is not currently licensed to use. Furthermore, Licensee shall not disclose the activation code or allow to be used except for installation of the Programs as provided herein.

All responsibility to select, install, evaluate, and make usable programs received from The MathWorks lies with the recipient.

**VERY IMPORTANT:**

**Mathworks now requires each person that installs Matlab to have a Mathworks account. It is important to note that when you complete the Departmental Software Order Form that the installer be listed as the responsible party. Please indicate your Mathworks account below. If you do not already have an account, you are required to obtain one prior to submitting your order for matlab. This can be done by going to the mathworks.com homepage and creating an account. The name of your department must be included on your Mathworks account during setup. This account must be for the individual that will be installing the software.**

I ACKNOWLEDGE THAT I HAVE READ THIS AGREEMENT, UNDERSTAND IT, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS.
