

# Adobe Creative Cloud for Teams Device Usage Agreement

- 1) I agree not to reverse engineer, decompile, translate, localize or disassemble this software or software products.
- 2) I agree to provide the correct device name to Departmental Software with the understanding that if the device name is changed for any reason without notifying Departmental Software my license will be suspended until the new device name is provided or the original device name has been reinstated.
- 3) I acknowledge that these software products are copyrighted and that Adobe retains all title and ownership rights to the product.
- 4) I acknowledge that I will not make copies of the software for distribution and will not permit access to the software by others. Except for installation on the machine license herein, I will not reproduce nor permit reproduction of the software in any form.
- 5) Use of this software is restricted to the single, designated Device. The software and software products may be installed on one computer, matching the details listed below.

I read this Agreement, understand and accept the terms.
